Guys,
Hope you are doing well and trying to enjoy the holiday season. I hate to ask another random question about CanRad but my attorney is preparing a declaration for the court case. She wants to know the specific times we were at the Tesla site. I'm sure you don't know off the top of your heads, I know I don't. Is there anyway for someone to check the logbook next week and get that info to me?
Thanks so much.

Dan
